TERMS & CONDITIONS (page 2 of 2)

ACCOMMODATIONS:

All hotels are rated by the local government. Air conditioning and heating are not standard in some hotels abroad and are not guaranteed. By Italian standards, bathrooms and bedrooms are smaller compared to the equivalent U.S. star rating. Beds are also smaller as there is no king-size. Typically double beds are two single beds pushed together. As with many historic buildings in Italy, rooms tend to be different from one another, different size, layout, decoration, view. Please keep this in mind as some rooms may not have a view. Rooms are usually assigned to guests in a random manner by the hotel, unless you have a particular request relating to health reasons (i.e. problem walking up stairs and other mobility problems) or if you request and pay for an upgrade. If you are traveling alone, you will be asked to pay a single occupancy room supplement. Some accommodations may include a 24-hour concierge, laundry service, internet access, hair-dryers, and other amenities/services, while others may not. Please let Nada's Italy know in advance of any particular questions or needs you have to make sure this Trip is for you.

PHOTOGRAPHY ON TOUR:

Nada's Italy reserves the right to take photographs during the Trip and to use them for promotional purposes. By traveling with Nada's Italy, guests agree to allow their image to be used for marketing and promotional purposes. Guests who prefer that their image not be used are asked to advise Nada's Italy before or during the Trip.

MEALS:

The meals included are shown in the itinerary relative to each Trip. The included meals will feature typical local dishes, traditional specialities which best represent the region's cuisine. Italian food is usually not spicy, and the ingredients used are natural and simple. Some of the meals will be at the hotels where we stay, while some will take place in local family-style restaurants, farms, and vineyards. The included lunches and dinners are accompanied by limited pre-set amounts of house wine and bottled water, also included. If you wish to have a particular bottle of wine, cocktail, or any other alcoholic or non-alcoholic drink with your meal, you will have to purchase it at your own expense. Some meals will be served "family-style", that is in large platters that will be passed around the table so persons can serve themselves. Most meals will not be based on a traveler's menu preferences, rather on a variety of local specialities selected by the restaurant's chef and Nada's Italy. If you have allergies, special dietary requirements, glucose or other food intolerance, if you are hypoglycemic, vegetarian, vegan, lactose-intolerant, gluten-intolerant, diabetic, etc., you will be responsible for purchasing at your expense any additional food that is not served during the included group meals. Nada's Italy will not assume any extra costs to accommodate special diets. Breakfast may include a variety of fruit juices, fruit tarts, cheeses, bread, milk, coffee, tea, yogurt, fruit, breakfast case, etc. Eggs or bacon are not typically served in Italy for breakfast.
